CONVENTO DE LA PARRA
LA PARRA

Getting to La Parra is easy, mainly because there is always the wish to arrive.

In the south of Extremadura, from Autovía de la Plata, take the exit to Fuente del Maestre. Cross this village and take the road to La Parra. You will enter La Parra along Avenida Extremadura. After a while, turn right into Carretera de La Morera.

Drive along this road, leaving a petrol station on your left. You will arrive at a crossroads. Turn left in the direction of La Parra. Follow the road until it becomes Calle Santa María. We will be waiting for you at number 16 of this street.

Welcome to the Hospedería Convento de La Parra.

As we approach La Parra our lungs fill up with the southern air. The light, the atmosphere, the birds and the colour of the sky are suggestive of how much this village is at a crossroads. The rhythm of the neighbouring Portugal, the southern breeze and sun, and the rich soil of Tierra de Barros outline an unforgettable landscape that fills the senses.

The Hospedería Convento de la Parra borrows its beat from the soil, the environment, the history and flavour of its walls, offering the visitor an experience impossible to reproduce otherwise. It is a destination in itself.

There are few places where you can experience the calmness, the light or the orange blossom smell of dawn like you do here. All the details show our respect for tradition, and our pride in offering it to those who come to meet us.
